

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Purchase (1) One Covered Truck Service Body

MEETING DATE: June 18, 1997

SUBMITTED BY: Electric Utility Director

RECOMMENDED ACTION: That the City Council adopt the attached resolution awarding the bid for the purchase of (1) One Covered Truck Service Body as listed below to the low bidder, Diamond Truck Body of Stockton, in the amount of \$14,421.50.

BACKGROUND: On May 21, 1997, the City Council approved specifications and authorized advertisement for bids for the replacement of (1) one covered truck service body. \$12,000 was originally budgeted for this purpose. The following bid was received, and opened on June 4, 1997:

Diamond Truck Body, Stockton	\$14,421.50
------------------------------	-------------

Contact has been made with the other truck body manufacturers, they indicate that the specifications were good, but felt they could not provide a competitive bid and did not want to invest the time required to prepare the bid. (See attached list of bidders and results).

Diamond Truck Body's bid of \$14,421.50 included a \$400 charge for removal of the old covered truck service body. The City of Lodi Vehicle Maintenance Division will remove the old truck service body for \$200, resulting in a savings of \$200. Upon approval by the City Council, a purchase order will be issued to Diamond Truck Body in the amount of \$14,021.50.

Authorization is also requested to dispose of the old covered truck service body. It is not expected that this service body can be refurbished as several repairs to stop its leaking have failed.
